

Applications

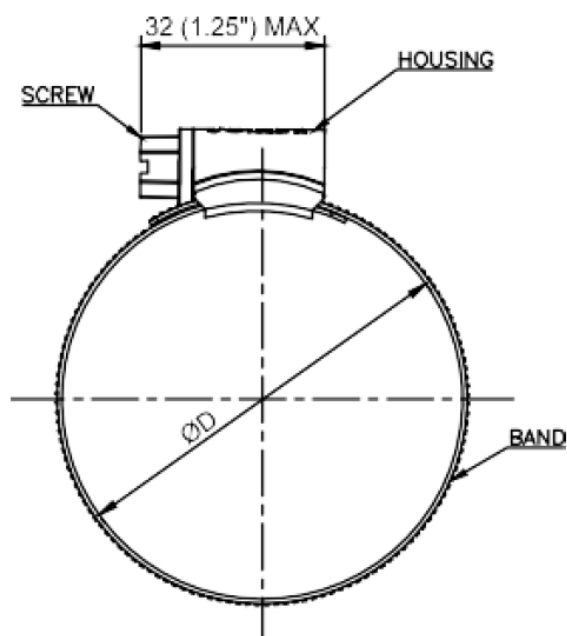

Versatile tools used to secure hoses onto fittings, recommended use for plumbing and heating applications

Features

- ~ Range of sizes
- ~ Sturdy worm drive hose clip and threaded outer band enabling extra flexibility when adjusting the clip to your desired size
- ~ Useful for soft hose applications
- ~ Manufactured from stainless steel and adjustable to get perfect fit

Dimensional Data

Product Code	Sizes	Min Dia (mm)	Max Dia (mm)
368885	20	14	20
368884	22	16	22
368881	25	18	25

Technical Data

Material	Zinc Plating
Product Codes	368885, 368884 & 368881
