

Applications

Through-wall control set for vandal resistant shower systems. For use in healthcare & secure sectors.

Features

- ~ Vandal resistant robust construction
- ~ Anti-ligature design
- ~ Stainless steel surround
- ~ Supplied with solenoid valve ($\frac{1}{2}$ " BSP).

Dimensional Data

Technical Data

Connection	$\frac{1}{2}$ " BSP
Operating Pressure	0.1 to 10 bar
Max. Static Pressure	10 bar
Max. Hot Water Temperature	46°C
Max. Air Tube Length	3 Metres
Wall Thickness	Up to 175mm
Product Code	326186
